

Cedar Mills Karting Association Members, Racers, Pit Crew and Fans

Help us keep our race and entry fees down!!!

Cedar Mills Karting Association (CMKA) has a long history of providing a go-kart racing facility at some of the lowest race and entry fees in the area. This continues to be our goal, especially in these tough economic times. The success of our track and our ability to keep race and entry fees low depends on two things: sponsors and volunteers.

In an effort to help keep costs down for our racers and pit crews, we are offering you **1 free pit pass per race for the 2009 Racing season** for each sponsor recruited at the top sponsor level (\$350 for one year or \$450 for two years).

Please be sure to let potential sponsors know that CMKA is a non-profit organization, which mean donations to our track are tax deductible. Sponsors recruited at the top level will receive the following for their donation:

- ❖ One 96" x 33" banner, displayed all season long at the track.
- ❖ They will be the main sponsor on our trophies and awards for one night of racing.
- ❖ Business ad placement in the racing programs for the entire season.
- ❖ Displayed as a 2009 sponsor on our website through out the remainder of 2009 and early 2010.

Extra copies of our sponsorship letter, with all our various sponsorship levels, can be found on our website at www.cedarmillsspeedway.com on the Sponsors page. Feel free to print out extra copies and pass them out to potential sponsors.

If you have any questions, please contact Steve or Colleen Benjamin at (320)864-6448.

Let's all do our part to help keep the sport of go-kart racing affordable for all our participants!
